

D2 Staff Tasking Council Motion  
October 2013

Mr. Fields made the motion:

**The Council initiate a discussion paper adopting a problem statement and considering proposed regulatory changes for exemptions that will: 1. Promote the development of a CDQ village directed cod fishery. 2. Allow CDQ and IFQ halibut harvesters, under 46' in length, to retain CDQ Pacific cod in excess of 20% MRA.**

The motion passed without objection.
