

TELECONFERENCE NOTICE

The North Pacific Fishery Management Council is evaluating additional measures to minimize salmon bycatch in the Bering Sea pollock fishery

Learn about the alternatives being considered, the Council process, and voice your questions and concerns

January 29, 2015, from 1 pm - 3 pm AKST

Please call: (877)214-2906, code: 1214

This process is open to the public. Council analysts will be on the line to share information and answer questions. The call will be moderated.

If you plan to ask a question, please RSVP via email (Steve.MacLean@noaa.gov) or call the Council (907-271-2809) with your name, location, and question. Due to the potential for a large number of participants, the RSVP list will have first priority for questions. We ask each participant to limit their question to 2 minutes.

A short powerpoint presentation will be given at the beginning of the call. If you wish to follow the powerpoint presentation, it will be posted here:
