AGREEMENT TO PROCESS

THIS AGREEMENT TO PROCESS is entered into as of November 26, 2019 by ALYESKA SEAFOODS, INC., an Alaska corporation ("Alyeska"), with reference to the following facts:

A The American Fisheries Act (the "Act") authorizes the Secretary of Commerce to reserve portions of the Bering Sea/ Aleutian Islands ("BS/ AI") pollock inshore directed fishing allowance for harvesting only by members of qualifying fishery cooperatives.

B. Under the Act, a contract implementing a qualifying fishery cooperative must specify that (i) other than as permitted under Section 210(b)(6) of the Act, the cooperative's catcher vessels will deliver pollock in the BS/AI directed pollock fishery only to the processor to which such vessels delivered the predominant amount of their shoreside pollock catch in the prior year, and (ii) such processor has agreed to process such pollock.

C. The owners of eighty percent (80%) of the catcher vessels that delivered more pollock to the Alyeska plant in Unalaska, Alaska (the "Plant") in the last year in which the vessels engaged in directed fishing for pollock for delivery to the inside sector have agreed, subject to the provisions of Section 210(b)(6) of the Act and related provisions in the Unalaska Fleet Cooperative (the "Cooperative") Membership Agreement, to deliver pollock from the BS/AI directed pollock fishery only to the Plant.

D. Alyeska is willing to agree to process the BS/ AI directed pollock fishery harvest of the Cooperative's members' vessels, to enable the Cooperative to obtain an allocation of BS/AI pollock under Section 210 of the Act.

NOW, THEREFORE, Alyeska hereby agrees to purchase and process pollock harvested in the BS/ AI directed pollock fishery by the Cooperative's members' catcher vessels, on terms and conditions to be agreed upon by and between Alyeska and such vessels' owners. Alyeska hereby acknowledges and agrees that, pursuant to Section 210(b)(6) of the Act, such vessels may deliver up to ten percent (10%) of the Cooperative's BS/AI pollock allocation to qualified shoreside processors other than Alyeska.
