

NPFMC Motion June 2013
GOA Tendering C-5(c)

The Council tasked staff to update the discussion paper for review at a later date with the following additional information:

- Data from the remainder of the 2013 fishing year
- Proportion of AFA vessels operating as tender vessels in the GOA pollock and Pacific cod fishery
- Information on impacts of tendering GOA pollock and Pacific cod concerning timely catch accounting
- Information concerning possible impacts of genetic sampling protocol of tendered GOA pollock
