**North Pacific Fishery Management Council
Recreational Quota Entity Committee
April 7, 2015
Room 205 Old Federal Building
605 West 4th Ave., Anchorage, AK**

AGENDA

The Recreational Quota Entity Committee will meet on Tuesday, April 7 from 1-5 PM in room 205 of the Old Federal Building at 605 West 4th Avenue, in Anchorage, AK. This will be an organizational meeting where the Committee will begin the process of providing input into the Council's proposed action to authorize a Recreational Quota Entity (RQE) to hold Pacific halibut quota share on behalf of guided sport (charter) halibut sector in Areas 2C and 3A, an idea presented in a proposal known as Catch Accountability Through Compensated Halibut (CATCH), and proposed to the Council in January 2014. In October 2014, the Council initiated an analysis of the CATCH proposal and authorized the RQE Committee to contribute to the development of a RQE program structure for analysis and review by the Council.
