## Professional Appointments

University of Alaska Anchorage, Institute of Social and Economic Research, Department of Economics  
Assistant Professor, January 2013–present

Arizona State University, Center for Environmental Economics and Sustainability Policy  
Pre-Doctoral Researcher, January 2012–May 2012.

## Education

Ph.D. Agricultural and Resource Economics, University of California, Davis, 2012.

*Dissertation:* Revisiting the Fishery Production Function: Space, Time, and Policy Invariant Relationships

*Committee:* James E. Wilen (co-chair), Joshua K. Abbott (co-chair), Aaron Smith, Douglas Larson.

*Fields:* Natural Resource Economics, Environmental Economics, Econometrics.

Graduate Academic Certificate, Air Quality and Health, University of California, Davis, 2011.

B.A. (first class honors) Economics, University of Calgary, 2008.

## Honors & Awards

Gordon A. King Outstanding Dissertation Award, University of California, Davis, 2012

International Institute of Fisheries Economics and Trade, Best Student Paper Award 2012, for “Unraveling the Multiple Margins of Rent Generation from Individual Transferable Quotas.”

## Research

### *Peer-Reviewed Journal Articles*

Reimer, M.N., Abbott J.K., Wilen, J.E. (2013) “Unraveling the Multiple Margins of Rent Generation from Individual Transferable Quotas.” *Land Economics*, In Press.

### *Peer-Reviewed Book Chapters*

Reimer, M.N. and Wilen, J.E. (2013). “Regulated Open Access and Regulated Restricted Access Fisheries.” In J. Shogren (Ed.) *Encyclopedia of Energy, Resource, and Environmental Economics*, 215-223, Elsevier Science.

### *Manuscripts in Review*

Abbott, J.K., Haynie, A., Reimer, M.N. (2013) “Hidden Flexibilities: Institutions, Incentives, and the Margins of Selectivity in Fishing.” Revise and Resubmit.

## Research Funding

“Modeling Biological and Economic Implications of Layered Management Measures for Bering Sea Groundfish Fisheries.”

Role: Co-PI. PI: Gunnar Knapp. Other Co-PIs: Christopher Anderson, Ray Hilborn. Pollock Conservation Cooperative Research Center, School of Fisheries and Ocean Sciences, University of Alaska Fairbanks. \$400,000. 2013-2015.

“Alaskan Cod Market Analysis.”

Role: PI. co-PIs: Gunnar Knapp, Chloe Tanaka. Bristol Bay Economic Development Corporation. \$12,000. 2013.

College of Agricultural and Environmental Sciences, *Jastro-Shields Research Grant*, University of California, Davis, 2011-2012.

## Teaching

University of Alaska Anchorage

Econ 459: Industrial Organization and Public Policy, Fall 2013, 3 credit hours.

University of California, Davis

Econ 240B: Econometric Methods (Ph.D.), Spring 2010/11, Teaching Assistant for Aaron Smith.

## Conference Presentations

“Institutional Dependence of the Fishery Production Function.”

Association of Environmental and Resource Economists Summer Conference, Banff, AB, June 6-8, 2013.

Forum of the North American Association of Fisheries Economists, St. Petersburg, FL, May 23, 2013.

“Technology or Incentives? Bycatch Avoidance in the BSAI Groundfish Fishery.”

Forum of the North American Association of Fisheries Economists, St. Petersburg, FL, May 23, 2013.

“Targeting ability under rights-based management: The Amendment 80 Bering Sea/Aleutian Islands groundfish fishery.”

Alaska Marine Science Symposium, Anchorage, AK January 21-25, 2013.

“Is the Fisheries Production Function Institution Dependent? Implications for Targeting Ability in Multispecies Fisheries.”

International Institute of Fisheries Economics and Trade’s 16th Biennial Conference, Dar es Salaam, Tanzania, July 16-20, 2012.

“Unraveling the Multiple Margins of Rent Generation from Individual Transferable Quotas.”

Association of Environmental and Resource Economists Summer Conference, Asheville, NC, June 3-5, 2012.

International Institute of Fisheries Economics and Trade’s 16th Biennial Conference, Dar es Salaam, Tanzania, July 16-20, 2012.

“ITQ Effects on Intraseasonal Fishing Behavior: An Investigation of the BSAI Crab Fisheries.”

American Fisheries Society 141st Annual Meeting, Seattle, WA, September 4-8, 2011.

“The Effects of ITQ Implementation on Intraseasonal Fishing Behavior: An Empirical Investigation of the BSAI Red King Crab Fishery.”

Forum of the North American Association of Fisheries Economists, Honolulu, HI, May 11-13, 2011.

## Professional Activities

Member, Scientific and Statistical Committee, North Pacific Fishery Management Council, 2013-Present.

Reviewer for *Journal of Environmental Economics and Management*, *Land Economics*, *Fisheries Research*, *Ecological Applications*

Member, North American Association of Fisheries Economists, 2011–Present.

Member, International Institute of Fisheries Economics and Trade, 2011–Present.

Member, Association of Environmental and Resource Economists, 2011–Present.
